

## Put Your Little Foot

Put your lit - - tle foot, put your lit - - tle foot, Your  
lit - tle foot right there. Put your lit - tle foot, put your  
lit - tle foot, Your lit - tle foot right there. Take a  
step to the right, take a step to the left, Take a  
step to the rear, but for ev - er stay near.

Put your arm around, put your arm around,  
Your arm around my waist.  
Hold your arm around, hold your arm around,  
Your arm around my waist.  
While the moon's shining bright, and the music's just right,  
And you're holding me tight, we will dance through the night.

Put your little foot, put your little foot,  
Your little foot with mine.  
With you little foot, with your little foot,  
Your little foot keep time.  
Charming tender melody, in my heart and memory  
It is there you'll always be, varsouviana's part of me.
